

Underage Student Liability Release

I, \_\_\_\_\_ the legal guardian of the student \_\_\_\_\_, realize that this class, despite any safeguards and multi-person staff, is dangerous. Accidents are just as likely to happen in the secure environment as it is in any other environment. In light of this fact, I agree to release Metropolitan Community Church of El Paso, First Presbyterian Church, Judicus Joshua C.Hobbie, and personnel associated with this class, from any legal actions resulting from martial arts related injuries.
